

WASTE COMMISSION OF SCOTT COUNTY  
COMMISSION MEETING

Scott Area Recycling Center  
5640 Carey Avenue  
Davenport, IA. 52807

August 18, 2016

Members Present: Bob Gallagher (Bettendorf), Rick Dunn (Davenport), Frank Klipsch (Davenport), Olin Meador (Buffalo), Marty O'Boyle (Eldridge), and Tom Sunderbruch (Scott County)

Tom Sunderbruch called the meeting to order at 9:00 a.m. at the Scott Area Recycling Center.

Marty O'Boyle moved to approve the minutes of June 16, 2016. Olin Meador seconded. Motion carried unanimously.

Commission Director Kathy Morris presented the treasurer's report and revenue/expenditure journal and summary. Olin Meador moved to approve. Rick Dunn seconded. Motion carried unanimously.

Morris presented the invoices. O'Boyle moved to approve. Meador seconded. Motion carried unanimously.

Morris presented the monthly operations report, including the facility report and a recycling update. Since the single-stream recycling program started on Aug. 1, the Recycling Center has received more than double the amount of material that it did over the same period last year. Tonnages may decline slightly and then level off because some residents had their new carts for more than two weeks before collection began. The Commission expected to receive between 30 and 50 percent more material, and the staff and equipment are handling the influx well. Discussion about recycling and recycling reporting followed.

Sunderbruch called for other business. Discussion about meeting schedules followed. The next meetings are scheduled for 4:30 p.m. Oct. 24 and Dec. 19 at the Recycling Center.

There was no other business or public comment. O'Boyle moved to adjourn. Frank Klipsch seconded. Motion carried unanimously.
